

EVENTS COORDINATOR

VOLUNTEER ROLE

Jasiri Australia is a fast growing youth organisation based in Canberra. We established Australia's first pay-it-forward empowerment self defence class in 2017. Since then, we have run a number of campaigns, a Trailblazer Fellowship for cultural and linguistically diverse young women and launched our inaugural Girls Takeover Parliament program pacific wide.

We're building an amazing team of young, dynamic and fearless leaders with big dreams of changing the world; sparked by the vision of eliminating violence against women and leadership inequality.

OUR IMPACT:

Our goal is to unleash a fearless generation of young women and girls. We want to measurably and sustainably support the lives of many young women and survivors of violence as we can. We aim to do this through creating pathways in leadership, build positive and safe space communities and use self defence as a method of healing and skill development.

THE OPPORTUNITY:

We are seeking an Events Coordinator to join our team as we grow our programs and further our community presence.

This is a newly created position with the aim of increasing the number of events GTOPI runs, both internally and externally, whilst also creating deeper community engagement. This is a management position and will involve working within a small team to organise two training weekends for GTOPI participants and two external fundraisers.

We are looking for an Events Coordinator with excellent communication and organisational skills who is able to build this new role by working closely with the GTOPI Program Manager.

YOU COULD BE OUR NEXT EVENTS COORDINATOR IF:

- You want to have a sustainable impact in eliminating violence against women, lack of representation in parliament and leadership inequality and are invested in fixing the problem rather than finding a temporary solution.
- You have great communication and relationship-building skills.
- You have organised small to large events previously.
- You have exceptional organisational skills and don't mind creating easy-to-follow procedures,
- You are able to work autonomously, and enjoy working both independently and with a team.
- You can commit to a minimum of 6 months volunteering, 5 hours a week

TO APPLY:

We value motivation and passion more than experience, however, if you have experiencing running campaigns or with politics, we encourage you to apply. But if you don't, we would love to hear from you anyway. Please send any questions you may have to the GTOPI Program Manager.

To apply for the position please send your CV to GTOP@jasiri.org.au
